Danilet, fondly called "Dani" is the Director for Community Development and Pomona Area Executive for Girl Scouts - Spanish Trails Council. This year marks her 5th year with the council with the Membership Department and a year with Fund Development. Her service to Pomona

Taking on from her yearly membership increases from other cities inspired her that it can happen in Pomona as well.

Indeed a great year was achieved with a

sky rocket increase in girl and adult membership with community support through funding girl membership and programs. Girl Scouts - Pomona Neighborhood ended the year with almost 800 girls and 156 adults. Through her leadership and dedication... Girl Scouts in Pomona is alive again. To recognize the success of Pomona Girl Scouts, Spanish Trails Council was nominated as one of the best service organization at the Sheraton last year.

Dani's involvement with the city circles around the different sectors of the community. She is actively involve with the

Pomona Police Department through Chief Romero's

Community Engagement Group and Sgt. Perez's "Great" Program. She had the chance to serve the Juvenile Court through assisting youth with referrals under Judge Lopez. She partners with the Pomona Unified School District and other organizations delivering after school programs at different school sites. She had made successful collaborations with the Recreation and Parks Department with Mayela Aguilar that allowed girls to experience hiking and camping for the first time. She connected the girls from the Mobile Parks and the Angela Chanselor to truly have a real Girl Scout experience. She joins the Church groups as venues for community outreach. Moreover, she seats as VP for Membership for the Pomona Chamber of Commerce with Alicia Rogan of State Farm. All these in line with Pomona's Family and Youth Master Plan's goal to serve the needs of the youth and families.

In closing she says "On behalf of all the girls and volunteers I serve, thank you for all the support. I am truly proud to be a Pomonian!"
